Dear Sir:

The application has been carefully reviewed in light of the Office Action dated November 16, 2005. Claims 12-15 and 23-40 were previously withdrawn from consideration. Applicants gratefully acknowledge the Examiner's statement that claims 8 and 20 contain allowable subject matter. Claims 1-6 and 8-40 remain pending in the application. This paper supplements the Request for Reconsideration filed on January 5, 2006.

On January 19, 2006, Applicants' representative conducted a personal interview with the Examiner. The following amendment substantially addresses those issues discussed in relationship to rejections based on the Zhou et al. reference. Agreement with respect to claim 1 was not reached.
